Testimonials

PulseFX gave us a virtual, simple, cost-effective alternative to the bank. The rate was better, the process was fast, and it just worked.

Chris Case
President, Case Insurance Brokers

With PulseFX, our US clients wire USD and we receive it same day—saving us thousands in fees.

Fadi Dawood
Chief Strategy Officer, The Idea Hunter

I routinely save hundreds—sometimes thousands—on each transfer. Their rates and service are unmatched.

Stan Ossias
Strategic-Partner, Schooley Mitchell

Common Questions

What kind of businesses use PulseFX?

SMBs, e-commerce brands, import/export companies, and international teams—anyone moving money across borders.

Can my clients pay using ACH/ABA?

Yes using virtual IBANs, you can collect funds in USD using ACH/ABA methods, and connect with PayPal, Shopify and Amazon.

How fast can I get funding?

Funding can be secured in as little as 24–72 hours through our PulseFX Lending portal.

Is PulseFX regulated?

Yes. PulseFX operates under Ebury Canada, Currency Cloud (US), and VGSI—meeting global FX compliance standards.
